**ACHARACLE MEDICAL PRACTICE
COMMUNITY PHARMACY BOOTH AT THE
ARDNAMURCHAN LIBRARY**

In partnership with Ardnamurchan High School, Sunart Centre and High Life Highland, our new pharmacy booth has been installed in the Ardnarmurchan Library. This is a first in Scotland and continues our aim to provide high quality and contemporary medical care in our remote and rural population.

To make it easier for working people the hours of the prescription collection include some evenings and weekends. All our patients from the peninsula are eligible to use this service.

From the 8th May prescriptions in Strontian will be issued via the pharmacy booth. **The exceptions continue to be fridge items and controlled drugs, which still need to be collected from GP's at the Strontian surgery and the start of surgery on agreed date.**
